**AMEND Senate Bill No. 172**

**House Bill No. 35\***

By deleting the following language in the amendatory language of Section 1 of the printed bill:

The trier of fact may infer that the cost and specialized training of any such animal is more than ten thousand dollars (\$10,000).

AND FURTHER AMEND by deleting in the amendatory language of Section 1 of the printed bill the language "guide dog" and by substituting instead the language "service animal".
